About HECIS

Hawkesbury Early Childhood Intervention Service (HECIS) is a NDIS Service Provider specialising in personalised early intervention support for children 0-6 years and their families.

HECIS has 27 years experience assisting children with age appropriate interventions so they can participate in their daily routines across their home, community and learning environment.

The HECIS team are experts in working with your child's teachers in their education setting to incorporate speech therapy, physiotherapy, occupational therapy and/or educational goals into your child's individual learning program.

Early Childhood Setting (preschool, long daycare, family daycare)
Primary School setting

- Skill development
- Play and social skills
- Inclusion
- Routines
